Trade Show Booths: \$1,000 Industry Members, \$450 Arts and Craft Vendors

At the 7th Annual NATOA Trust and Investment Conference, we are looking for two types of presentations: Beginner Trustees and Advanced - these will be chosen accordingly. We are encouraging and would give preference to presentations from our industry members that include a client component, highlighting the topic you wish to cover from your client’s perspective. NATOA will only be providing booth sponsorships/opportunities to members in good standing of the Association. All presentations are to be approved by the Board of NATOA.

In supporting NATOA events, you are helping NATOA be an independent organization that serves to meet the needs of both the grassroots Indigenous Trust communities and its professional supporters. NATOA is counting on your support for our upcoming events. JOIN US in our mission towards providing Indigenous Peoples of Canada with the resources and information they need financially to benefit our future generations of Canada.
